From "THE ALPS," illustrated by A. D. McCormick (A. & C. Black.)

By Appointment.

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The Matterhorn, *alias* the Cervin (14,781 feet), was formerly one of the most formidable mountains in the world. The first ascent was made July 14, 1865, by Mr. Edward Whymper, Lord F. Douglas, D. Hadow, Charles Hudson and three guides. In descending, all but Mr. Whymper and two of the guides lost their lives.
